

In the Supreme Court of the State of Alaska

Eric Forrer,

Appellant,

v.

State of Alaska, Bruce Tamgeman,

Appellees.

Trial Court Case No. **1JU-18-00699CI**

Supreme Court No. **S-17377**

Order

Motion to Allow Overlength Brief

Date of Notice: **July 29, 2019**

On consideration of the Motion to Allow Overlength Brief filed by Eric Forrer on July 8, 2019, and no opposition having been filed,

The individual justice assigned to this motion to accept a 17-page overlength reply brief reluctantly grants this motion. The reasoning given for why an overlength brief is necessary is conclusory and unpersuasive. The only reason the motion is being granted is because this appeal is scheduled for oral argument on September 12, 2019, and a denial of this motion would jeopardize the ability of the court to prepare in a timely manner.

Entered at the direction of an individual justice.
